## MULTI-AWARD WINNING PROVIDERS

### UK Wide Cover

We have you covered with our comprehensive mechanical and electrical failure cover. In the unlikely event you experience a failure, you'll be reassured to know you can take your vehicle to any VAT registered garage in the UK.

“Fantastic customer service. We were unsure how to follow the process of claiming and did it incorrectly. They still supported us and paid out on the claim. Amazing service.”

“I had no trouble at all using Autoguard Warranties. They were very helpful and dealt with the garage directly. Hassle free for me.”

“Unlike all previous warranty companies, you are prompt, courteous and above all fair with all claims. My next car purchase will be dependent upon the seller being able to offer an Autoguard Warranty.”
